Delivering more than 50 years of the best bus designs
The Collins name has long been synonymous with the school bus industry. After half a century of delivering Type A school buses with A+ marks for strength and safety, it only makes sense that Collins has become the nation's most trusted bus manufacturer across every segment.

At the head of the class
Collins developed the first Type A school bus in 1967 and for more than five decades we've been committed to innovating the future of school buses and ensuring we protect our most important passengers - mile after mile. Innovative engineering and platform flexibility fuel our process to build buses that meet every need and deliver industry-leading strength and safety. Collins designs and manufactures school buses that are at the head of their class.

OUR VEHICLES CONNECT AND PROTECT PEOPLE AROUND THE WORLD EVERY DAY.

- Standard Equipment
- * Various based on state and options selected
- ** Various passenger/wheelchair configurations available

Due to ongoing engineering improvements, Collins reserves the right to make changes without notification.
• Industry’s largest view-out window reduces blind spots and enhances visibility
• Innovative structural design provides unparalleled safety and features a one-piece tubular roof bow design
• Collins exclusive external storage compartment
• 5-Year body warranty and limited lifetime paint warranty
• Innovative electrical system offers easy-to-access service points
• Altoona tested simulating seven-years and 200,000 miles of wear

CHEVY/GM & FORD E-SERIES

The narrow-body design of the SRW offers easy vehicle maneuverability and safety, consistent with a 15-passenger van, and the optional flat floor design of the DRW offers a variety of floor plans allowing flexibility in seating configurations, and is available with special needs wheelchair options.

FORD TRANSIT SERIES

The Collins Ford Transit bus gives you greater efficiency from less fuel. The bus’ narrow body maneuvers easily, even on the tightest roads. Better front-end visibility improves safety for drivers and up to 25* passengers. The Collins Ford Transit delivers all that, all covered by the best warranty in the business.

*Varies based on your state and the options selected.
